## Auditor's Report

To TED TURNER (Name of CFO), Chief Financial Officer for THE ONTARIO ELECTRICITY COALITION (Name of TP), Third Party:

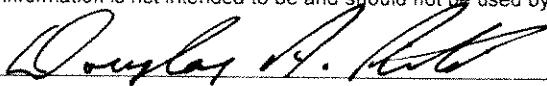

I/(We) have audited the Statement of Election Advertising Income and Expenses of THE ONTARIO ELECTRICITY COALITION (TP), under the requirements of subsection 37.12 of the *Election Finances Act* for the election held on OCTOBER 10, 2007 (election date). This financial information is the responsibility of the Chief Financial Officer of THE ONTARIO ELECTRICITY COALITION (TP). My (our) responsibility is to express an opinion on this financial information based on my audit.

Except as explained in the following paragraph, I (we) conducted my (our) audit in accordance with Canadian generally accepted auditing standards. Canadian generally accepted auditing standards require that I (we) plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by the CFO, as well as evaluating the overall financial statement presentation. The Act, however, does not require me (us) to report, nor was it practicable for me (us) to determine, that contributions reported included only those which may be properly retained in accordance with the provisions of the Act.

Due to the nature of the types of transactions inherent in any election campaign, the completeness of the various categories of income and expenses is not susceptible of satisfactory audit verification. Accordingly, my (our) verification of income and expenses was limited to the amounts recorded in the third party election advertising records and I (we) was (were) not able to determine whether any adjustments might be necessary to income and expenses.

In my (our) opinion, except for the effect of adjustments, if any, which I (we) might have determined to be necessary had I (we) been able to satisfy myself concerning the completeness of advertising income and expenses referred to in the preceding paragraph, this Statement presents fairly, in all material respects, the Advertising Income and Expenses of the ONTARIO ELECTRICITY COALITION (TP) for the election held on OCTOBER 10, 2007 (election date) in accordance with the accounting requirements of *Election Finances Act* and the guidelines issued by the Chief Electoral Officer.

This financial information is solely for the information and use of the Chief Electoral Officer to comply with subsection 37.12 *EFA*. This financial information is not intended to be and should not be used by anyone other than the specified users or for any other purpose.
