

2011 General Election

Campaign Expense Spending Limit by Electoral District for the 2011 General Election

Campaign Expense Spending Limit by Electoral District for the 2011 General Election
The total campaign expenses incurred by a registered candidate's campaign, its registered constituency association, and anyone acting on behalf of the candidate's campaign or constituency association during a campaign period must not exceed the amount determined by multiplying an indexed amount currently at \$1.19 by the number of electors in the candidate's electoral district. In order to determine the limit on campaign expenses, the number of electors is defined as the greater of:

- the number of electors shown in the preliminary list of electors provided to candidates; and
- the number of electors entitled to vote as determined by the CEO after polling day.

For registered candidates in the electoral districts of Kenora-Rainy River, Thunder Bay-Superior North, Thunder Bay-Atikokan, Timmins-James Bay, Algoma-Manitoulin, Nickel Belt and Timiskaming-Cochrane, the amount of the joint campaign expense limit is increased by an indexed amount. The indexed amount is amended every five years and is currently \$8,680.
