A guide for students

Can I vote?
To vote, you must be:

• 18 years or older on election day
• a Canadian citizen
• a resident of Ontario

Am I registered to vote?
Check if you are registered to vote in Ontario and add/update your registration to vote at eregistration.elections.on.ca.

Which address do I use to register and vote?
If you live in two places—one while attending school, and another while not in school—you can choose which address you consider home and use this address to register to vote. This will determine where you cast your ballot. Add, update or confirm your information on the voters list at eregistration.elections.on.ca.

When and where can I vote?
You can vote in a general election or a by-election in your home electoral district. If you are registered and your registration is up to date, you will receive a voter information card in the mail letting you know when and where to vote. You can also find this information at voterinformationservice.elections.on.ca.

What ID do I need to vote?
For more information and to check if you have the required ID to vote, visit ID requirements for voting at elections.on.ca/id-requirements.

What if I’m under 18?
Any 16- or 17-year-old who is a Canadian citizen and lives in Ontario can sign up to be on the Ontario register of future voters. Once you have registered, you will automatically be moved to the voters list when you turn 18. Get on the register early and be ready to vote!
