DIRECTIVE FOR THE NOVEMBER 30, 2023 BY-ELECTION
FOR THE ELECTORAL DISTRICT OF
KITCHENER CENTRE
FOR THE USE OF AN ALTERNATIVE VOTING PROCESS

This Directive describes changes to the voting process during an election to permit for the use of ePoll Books, pursuant to section 4.4 of the Act.

This Directive describes changes to the voting process during an election to permit for the use of electronic signatures (E-Signatures) on specified documents, pursuant to section 4.4 of the Act.

This Directive describes changes to the special ballot voting process during an election to permit for the use of VoterView, pursuant to section 4.4 of the Act.

The objective of these changes is to improve the voting process for electors, achieve administrative efficiencies, and maintain the integrity of the voting process.

The following provisions of this Directive describe the processes and methods to be adhered to.

Following the November 30, 2023 By-Election, I will include a report on the use of the ePoll Books, VoterView and E-Signatures in accordance with section 4.4 (11) of the Act.

PART I: ePoll Books

Use of ePoll Books

6. ePoll Books will be used at voting locations specified by the CEO:
 - (a) in the advance poll at the returning office held from Sunday, November 19, 2023 to Friday, November 24, 2023;
 - (b) in the area advance polls from Wednesday, November 22, 2023 to Friday, November 24, 2023; and
 - (c) on election day, Thursday, November 30, 2023, at voting locations determined by the CEO.

Presentation of Voter Information Card

7. If an elector presents a Voter Information Card on election day or at an advance poll, the Voter Information Card shall be entered into an ePoll Book by an Advance Poll Deputy Returning Officer or a Deputy Returning Officer, as applicable.

Attendance at Voting Location without a Voter Information Card

8. At an advance poll, or on election day, if an elector fails to present a Voter Information Card, the elector will be asked to present an Identification Document and to provide their address to the Advance Poll Deputy Returning Officer or the Deputy Returning Officer, as applicable.
9. Upon reviewing the Identification Document and confirming that the elector is at the correct voting location, the Deputy Returning Officer or the Advance Poll Deputy Returning Officer, as applicable, shall enter the elector's information into the ePoll Book and strike off the elector's name and residential address from the voters' list, or revise the voters' list to add the elector's name and residential address, and then strike it off.

Attendance at Voting Location without a Voter Information Card and without an Identification Document and Elector is On the Voters' List

10. Should an elector fail to present a Voter Information Card or an Identification Document at the voting location and the elector is on the voters' list, the Advance Poll Deputy Returning Officer or the Deputy Returning Officer, as applicable, shall mark the ePoll Book accordingly, following which the elector shall execute the Statutory Declaration At The Poll, as applicable, and may do so by E-Signature.

Party Portal Updates

11. Each voting location where ePoll Books are being used will update the Party Portal via the Primary (Server) ePoll Book database server in time intervals of no less than thirty minutes, subject to the contingency provisions herein.

Access to Electronic Copy of the List of Electors that have Voted

12. Only registered parties and registered independent candidates that have filed an acceptable privacy policy with Elections Ontario will be granted access to the Party Portal containing an electronic copy of electors that have voted, in accordance with the Act.

- (e) Special Ballot Application;
- (f) Statutory Declaration at the Poll re Elector Named on List;
- (g) Statutory Declaration at the Poll re Addition to List;
- (h) Statutory Declaration at the Poll re Challenge.

E-Signatures Not Mandatory

30. Electors are not required to sign forms Electronically, and if an elector so chooses, a paper form shall be provided.

31. Consent to provide an E-Signature may be inferred from the conduct of a person, which shall include but not be limited to the person signing a document Electronically.

Types of E-Signature

32. The following forms, documents and applications must be signed with an Original Mark, if signed Electronically:

- (i) Addition Form;

- (j) Deletion Forms;
- (k) Correction Form;
- (l) Declaration at the Poll;
- (m) Statutory Declaration at the Poll re Elector Named on List;
- (n) Statutory Declaration re Addition to List; and
- (o) Statutory Declaration at the Poll re Challenge.

33. The following forms, documents and applications may be signed with an Adopted Mark, if signed Electronically:

- (p) Addition Form;
- (q) Deletion Forms;
- (r) Correction Form; and
- (s) Special Ballot Application.

Method of Accepting Original Marks

34. An Electronic document that requires an Original Mark shall be prepared by a Special Ballot Officer, Deputy Returning Officer, Advance Poll Deputy Returning Officer, Advance Poll Supervising Deputy Returning Officer, or Supervising Deputy Returning Officer, as the case may be, on a Device in accordance with information provided by the elector.

35. Once the document has been prepared by the Special Ballot Officer, Deputy Returning Officer, Advance Poll Deputy Returning Officer, Advance Poll Supervising Deputy Returning Officer, or Supervising Deputy Returning Officer, as the case may be, the Device shall be provided to the elector, and the elector may make an Original Mark in the designated area using the stylus provided.

36. The Special Ballot Officer, Deputy Returning Officer, Advance Poll Deputy Returning Officer, Advance Poll Supervising Deputy Returning Officer, or Supervising Deputy Returning Officer, as the case may be, will review the document to ensure the elector made an Original Mark in the designated area and then save the document on the Device.

Method of Accepting Adopted Marks

37. An Electronic document that requires an Adopted Mark shall be prepared on a subpage of the Elections Ontario Website by the elector completing the required fields.

38. Upon completing the required fields, the elector shall review the draft Electronic document in its entirety.

39. Upon review of the draft Electronic document, the elector shall be provided the option to create an Adopted Mark on the document, and prior to creating the Adopted Mark, the elector will be notified that creating the Adopted Mark evidences their digital signature on the Electronic document in accordance with the Election Act, R.S.O. 1990 c E.6 and this Directive.

40. Upon creating the Adopted Mark and completing the Electronic document, the elector will have the option to submit the Electronic document through the Elections Ontario Website.

Metadata for E-Signatures

41. All documents requiring E-Signatures shall be stamped with metadata that records the following information:

- (t) the time and date that the Electronic document was created;
- (u) the name of the user that created the Electronic document;
- (v) the time and date that the last edit was made to the Electronic document;
- (w) the name of the last user to edit the Electronic document; and
- (x) the time and date that the Electronic document received an E-Signature.

Storage of Electronic Documents with E-Signatures

42. All documents that have been signed with an E-Signature shall be stored on the Primary (Server) ePoll Book and on the EO SFTP Site for at least one year, in accordance with s. 85 of the Act.

43. All documents completed in Electronic form on a subpage of the Elections Ontario Website shall be saved in PDF format on a secure hard drive and uploaded to the EO SFTP Site.

PART III: VOTERVIEW

Use of VoterView

44. VoterView will be used at returning offices for special ballot voting from Thursday, November 2, 2023 to Wednesday, November 29, 2023, as specified by the CEO;

Presentation of Voter Information Card and Identification Document

45. If an elector presents a Voter Information Card at a returning office in order to vote by special ballot, the Voter Information Card shall be entered into VoterView by a Special Ballot Revision Officer or Special Ballot Officer.

Attendance at Voting Location without a Voter Information Card

46. At a returning office, if an elector fails to present a Voter Information Card, the elector will be asked to present an Identification Document and to provide their address to the Special Ballot Officer or the Special Ballot Revision Office, as applicable.

47. Upon reviewing the Identification Document and confirming that the elector is in the correct electoral district, the Special Ballot Officer shall enter the elector's information into VoterView and strike off the elector's name and residential address from the voters' list or revise the voters' list to add the elector's name and residential address, and then strike it off.

Attendance at Voting Location without a Voter Information Card and without an Identification Document and Elector is On the Voters' List

48. Should an elector fail to present a Voter Information Card or an Identification Document at the returning office in order to vote by special ballot, and the elector is on the voters' list, the Special Ballot Officer shall mark VoterView accordingly, following which the elector shall execute the Statutory Declaration At The Poll, as applicable, and may do so by E-Signature.

Party Portal Updates

49. Each returning office where VoterView is being used will update the Party Portal via VoterView Web server in time intervals of no less than thirty minutes, subject to the contingency provisions herein.
