

# Appendix E

## Student handout: Assessment - Exit card

In this lesson, we learned about the principles of democracy and applied those principles to school and school board practices. Complete the chart below to show your understanding of the principles and how they look when put into practice in your school and/or school board.

Criteria	Examples and explanation
Principle:	
Principle:	
Principle:	

Based on your learning in this lesson, does your school and/or school board put the principles of democracy into practice successfully? Give your school and/or school board a final rating and provide your rationale below.

Final rating (level 1-4)	
Rationale	
Extension	If you gave your school and/or school board a rating below 4, how can things be improved? Try to think of one way your school and/or school board could be more democratic. Refer to the principles of democracy in your brief response
