

Appendix B

Student handout: Preparing for the political party

Instructions: You have been invited to a political party! Your entire party will attend and present your party ideas to others at the gathering. Using online resources like party websites, news articles and videos, as well as social media posts from real party members, complete the chart below. Taking point form notes in this chart is suggested to help organize your thinking.

Political Party:

Party Ideas	
Health Care	
Education	
Child Care	

Crime/Public Safety	
Environment	
Economy	
International Relations
