10. Additional Returning Officer Comments

- a) Did the e-poll books and tabulator help serve electors with disabilities more effectively? Please explain.

Yes. It made it easier for them as it was quicker and they didn't have to line up as long as previous elections.

- b) Please describe any situation you observed where electors with disabilities used their mobile devices (e.g. phones, iPads and tablets) as an assistive device during the voting process. Were there any issues or concerns?

Did not observe any.

- c) Please describe other measures that you took to provide accessibility for electors with disabilities in your electoral district.

Added more chairs for resting during line-up. Opened more special ballot tables to meet demands of long lineups so seniors didn't have to stand and wait as long.
