None.

- b) Please describe any situation you observed where electors with disabilities used their mobile devices (e.g. phones, iPads and tablets) as an assistive device during the voting process. Were there any issues or concerns?

None.

- c) Please describe other measures that you took to provide accessibility for electors with disabilities in your electoral district.

At one voting location the room used was small. Electors parked in the main lot and had a long way to walk down the hallways to access the voting location. Once we were made aware of the situation, we dispatched two individuals to attend to the main parking lot, directing them to a more suitable, closer parking lot closer to the entrance of the voting location.
